FROM : Chief, WH Division			
SUBJECT : LIENVOY Project Amendment			
REF: HPMMA 21331, 10 May 1963 1. Reference is made to your request in HPMMA-21331 to have the LIENVOY Project amended to include LIENVOY-6 and to raise the project approval by a total of \$2,080. 2. Since this project already has been renewed (see HPMMA-111457) Headquarters prefers not to process it again for an amendment, unless by the end of the project year it appears that obligations (including LIENVOY-6) will not remain within the approved project authority. The Station can continue to use and fund LIENVOY-6 under the LIENVOY Project even though this agent was overlooked in the current project renewal. <p style="text-align: center;">END OF DISPATCH</p>
